Hon. Hugh J. Addonizio
Mayor, City of Newark
City Hall
Newark 2, New Jersey

Dear Mayor:

At our regular March Commission meeting last night, I reported to the Commission on the positive reactions you gave to our requests for:

- A. An invitation to Cabinet meetings;
- B. The immediate appointment of a Field Worker and Research Assistant;
- C. Bringing our Commission up to full strength; and
- D. Obtaining an office outside City Hall.

They voted unanimously to convey to you their deep appreciation for your cooperation in the important affairs of our Group. The feeling was that if we continue to get this kind of cooperation on our future requests, this Commission may be able to function as the Fair Practices Ordinance indicates it should.

Very sincerely yours,

Daniel S. Anthony,
Director
